Dear Mr. Weisberg.

I have just graduated from Columbia University. Im my last semester of study I took a course on the life of Dr. Martin Luther King Jr. My instructor was Harry Wachtel, lawyer for the King family. My term paper dealt with the assassination of Dr. King. I was amazed by your book Frame-Up. You have my highest compliments on your work. Since I intend to espand my interests and work in the area, I'd like to purchase a copy of your work. James Lesar told me the price was $10.00, .75 shipping. Since I might be working with Harry Wachtel in a more official capacity concerning the investigation I recommended he also have a copy. Enclosed is $21.50 for two copies. Please pass along any additional charges. If you have any suggestions concerning investigatide work or any comments, please feel free to write me at 139 ARLEIGH Rd., DOUGLASTON, N.Y. 11363. Im any event, however, let me again congraduate you on a service of great importance you have rendered this country, even if it has not yet come to appreciate it.

Sincerely,
Peter Horenkamp.
